Community connection • Visual storytelling

catalightcares

The daily reality
of caregiving
often looks
like this.

Rescheduling plans
(again)

Research at midnight

Celebrating the
small wins

Running on empty,
but showing up
anyway

To every caregiver doing the invisible work:
We see you. You matter. You're not alone.

Liked by neurodivergent.mom and 842 others

catalightcares Caregiving isn't always visible, but it's
always real. Let's build a world that supports the
whole family.

STRATEGY + GOAL

Build emotional connection with caregivers by
acknowledging the unseen, everyday moments
that impact their lives.
